

Piper .

September 2, 2013 - February 26, 2022

My beautiful Piper - I am missing you soooo much. I thought we would have many more years together. More traveling, more dog sport trials, more walks, more cuddles - just more. The mores were cut short, but I am so very grateful for every single day, every single hour, every single minute you were in my life. I will love and miss you always, always, always!!
